GYMPULSE
GYM MANAGEMENT SOFTWARE

For small & medium gyms · Fitness studios · CrossFit boxes

RUN YOUR WHOLE GYM FROM ONE SCREEN

Memberships, GST billing, QR check-in, classes, personal training, leads, WhatsApp reminders and the counter shop, all connected. Includes a member app, an entrance kiosk and your own gym website.

4
apps in one system

30+
back-office modules

100+
features, ready to use

₹0
per WhatsApp reminder

QR CHECK-IN
Desk, kiosk or phone. Expired and unpaid members are stopped automatically.

GST BILLING
Tax invoices with CGST/SGST, part payments, dues tracking and a monthly GST summary.

WHATSAPP REMINDERS
Renewal, dues, birthday and win-back messages in one tap, from your own number.

MORE RENEWALS
Expiry queue, lead pipeline and free-trial tracking so no member slips away.

MEMBER APP
QR pass, class booking, workout and diet plans and progress, installable on any phone.

LIVE REPORTS
Collections, P&L, churn, trainer payouts and lead conversion, exportable to Excel.
