Who Innsolver is for

Purpose-built for every kind of hospitality business in India.

Hotels & Resorts

Front office, housekeeping, night audit, OTA channel manager, guest KYC and your own booking website — run the whole property on one screen.

Restaurants, Cafés, Bars & Dhabas

Touch POS with KOT/KDS, QR self-ordering, table reservations, recipe & food-costing, and excise-compliant bar billing.

Homestays, Villas, Lodges & Guest Houses

Lightweight bookings, contactless online check-in, a direct-booking website and instant UPI payments — no heavy setup.

Banquet Halls & Event Venues

Hall & event bookings, catering, deposits and clean GST invoices for every function.

Travel Agencies & Tour Operators

Tour packages with per-PAX pricing, a car-rental fleet with drivers, and one-click invoices.

BUSINESS CATEGORIES WE SERVE

Restaurant · Hotel · Bar · Dhaba · Resort · Lodge · Homestay · Villa · Airbnb · Travel Agency · Café · Banquet Hall

Why it's useful for your business

All-in-one — no double entry

Front desk, POS, inventory, HR and accounting talk to each other in real time. One platform replaces 5–6 separate tools.

GST-ready & Tally export

Automatic GST invoices, GSTR reports, e-invoicing/e-Way Bill and one-click day-book export to Tally.

Built for India

UPI & QR payments, DigiLocker/Aadhaar KYC, 8 Indian languages and WhatsApp guest messaging — out of the box.

Grows with you

Multi-branch with isolated data, granular roles + 2FA, your own booking website and an installable Android app.

How you get started

From sign-up to going live — usually the same day.

1. **Start free / choose a plan**
   Sign up online in minutes and pick the package that fits your business.
2. **We provision your workspace**
   You get a branded sub-domain, admin login and your logo/theme applied across the app.
3. **Import data & train your team**
   We help you load rooms, menu and staff, and onboard your team — usually the same day.
4. **Go live with 24×7 support**
   Start billing, take online bookings and payments — with support whenever you need it.

Reseller / Partner Program

Turn your network in the hospitality industry into a steady, growing income — with zero investment.

50%
on signup

20%
on every renewal

Earn on the first payment **and** on every renewal — recurring income for as long as your client stays with us.

Recurring income
Earn on the first payment AND on every renewal, for as long as your client stays.

Zero investment
No inventory, no upfront cost. Just share your referral link and start earning.

Your own portal
Track clients, commission earned, balance and payouts live in your partner dashboard.

Auto-attribution
Every business that signs up through your unique link is automatically credited to you.

Easy payouts
Request a payout anytime; we settle to your UPI or bank.

We support you
Demos, onboarding and sales material — we help you close deals and keep clients happy.

Example: refer a property on a ₹1,000/month plan → you earn **₹500** on signup, then **₹200 every month** they renew. Refer 25 properties and that's a serious recurring monthly income.

How the income works

A simple, transparent five-step earning process.

1. **Apply & get set up**
   We create your partner account, enable your login and give you a unique referral link.

2. **Refer businesses**
   Share your link with hotels, resorts, restaurants and cafés in your network.

3. **Earn 50% on signup**
   When a referred business subscribes to a paid plan, you earn 50% of the plan amount.

4. **Earn 20% on every renewal**
   For every renewal that business makes — month after month — you keep earning 20%.

5. **Get paid**
   Track your earnings live and request payouts anytime from your portal.
